

WARM UP YOUR BELLY Soup Cook Off

When: Dec.1, 2018, 12-4 or earlier if sold out

What? *Warm up your Belly Soup Cook Off* is a part of Holiday Alley, an expansion of the wildly successful Homes for the Holidays House & Heritage Tours. It's a block long festival with art, music, song, food, drink and hopefully with you!

Why Enter? It's a chance to showcase your best Soup creation. You will be part of an exciting day-long event to bring art, sound, light, food, and creativity to the old downtown of Selkirk. Proceeds will be shared with the Selkirk and District Community Foundation *Homes for All Fund*.

Who? You and your soup cooking team will make 20 liters (80 cups) of soup. Each of the 250 ticket-holders will get a third of a cup of your soup then move on to the next station. Our tourists and judges will vote on who will take home the title of People's Choice Soup and Judges' Favorite Soup.

Where? On Manitoba Avenue East in Selkirk, Manitoba. Each team will be given a table location on Manitoba Avenue in one of the select locations: Your specific location will be identified in your welcome package

Sounds right up your alley? Then join us. Register by following the instructions on the next page. Tell a friend. Share this letter. Tell us about your ideas that will make this Holiday Alley even better.
